If you have misplaced your pool/tennis access card, please let the board know. The replacement cost is \$25, and only one can be assigned per household. Please send your payment to

**CMA c/o Hedgerow HOA
1465 Northside Drive
Suite #128
Atlanta, Ga 30318**

When payment is received, the board can issue a new card, and deactivate the lost card. It can take from a few days up to a week for the payment to process with CMA (whether late dues payment or card replacement cost). Please keep this in mind when requesting a card. The board cannot accept any money personally. All payments must go to CMA.

If you are new to the neighborhood, please let us know so we can issue you a card.

A few quick reminders for the season:

No smoking, glass, or pets are allowed in the pool area.

If you utilize the trashcans for a party, please roll them back to the designated area in the parking lot so it is picked up.

Hedgerow I tennis courts and Hedgerow III pickleball courts should only be used for tennis/pickleball. Please do not allow your family or pets to play games on them.

Please take care of our furniture.

Please clean up after yourselves, and encourage all family members to do so when attending alone. This will help with pest issues, and keep our communities looking great.

Please use the reservation website (<https://login.reservemycourt.com/login>) to reserve the pavilions located next to the pools, and remember to schedule an extra lifeguard for a larger party. Please refer to pool rules for guidelines on scheduling lifeguards.

If the pool needs to be closed for a day for any reason, the best way to get updated information is through the Hedgerow website (yourhedgerow.com).

Please read the pool rules and minor swim release that are located on the Hedgerow website and posted at each pool.

The Association's swimming pool regulations require children under the age of 13 to be accompanied and supervised by a parent or guardian when using the Association's swimming pool and pool facilities, and this regulation is reasonably necessary for the safety and welfare of minor children.

I appreciate everyone in the neighborhood for assisting us to make our pools a great community asset! Please let me know of any issues. I cannot be at the pools all the time, so your information and updates are very helpful!

Thank you,
Keith Slagle
